Dear Mr Egri,

I would like to inform you that the Committee on Petitions considered your petition and decided that the issues which you raise are admissible in accordance with the Rules of Procedure of the European Parliament, insofar as the subject matter falls within the sphere of activities of the European Union.

The committee began its examination of your petition and decided to ask the European Commission to conduct a preliminary investigation of the various aspects of the problem. The committee will continue its examination of your petition as soon as it is in receipt of the necessary information.

I will keep you informed of any further action taken on your petition in due course.

Yours sincerely,

Marcin Libicki
Chairman

Tárgy: 1089/2007 sz. petíció (levelezés során minden esetben feltüntetendő hivatkozási szám)

Tisztelt Gábor Egri

Hivatkozva a 2008 május 20-i levelemre, tájékoztatom, hogy a Petíciós Bizottság 2008 november 6-i ülésén le folytatta az Ön petíciójának vizsgálatát, megfelelően figyelembe véve az Európai Bizottság által nyújtott írásbeli és szóbeli információkat.

Tájékoztatásul mellékelem – képviselőknek szóló értesítés formájában – az Európai Bizottság végleges álláspontjának másolatát.

Ezen információ alapján a Petíciós Bizottság úgy határozott, hogy befejezi a petíció vizsgálatát és lezárja az aktát. Bízom benne, hogy válaszmomat kielégítőnek találja.

Tisztelettel:

Marcin Libicki
A Petíciós Bizottság elnöke

Dear Sir,

On behalf of the Secretary-General, I am writing to you to acknowledge receipt of your petition forwarded by letter of 30.08.2007.

Your petition has been entered in the general register as Petition No. 1089/2007 and I should be most grateful if you would use that reference number in any future correspondence.

Your petition has been forwarded to the Committee on Petitions which will, first of all, take a decision on its admissibility, i.e. on whether the subject of your petition falls within the sphere of activities of the European Union. If the committee declares it admissible, it will then examine the substance of your petition.

The Committee on Petitions will write to you directly to inform you of its decision on admissibility.

If your petition is declared admissible, the aforementioned committee will examine it at a meeting open to the public in accordance with the provisions of the European Parliament's internal Rules of Procedure. However, if you would prefer your petition to be considered confidentially at a meeting held in camera, please notify your request to the aforementioned committee immediately.

May I draw your attention to the fact that the procedure for the examination of a petition may be fairly lengthy, given the large number of petitions that we receive which have to be translated into all the official languages of the European Union and then examined by the Committee on Petitions.

Please address any further correspondence on this matter direct to the following address: the secretariat of the Committee on Petitions, European Parliament, rue Wiertz, B-1047 Brussels. Fax.: 0032/22846844.

Yours faithfully,

Dear Mr Laszlo,

The e-mail you have sent to Mrs Claudia Canevari, cabinet of Commissioner Dimas was forwarded to the Civil Protection Unit of the Directorate General Environment of the European Commission. We respond to your questions on behalf of Commissioner Dimas.

We appreciate your activities with anti-flood protection in your country. Please note however that the neither Commission or nor the Civil Protection Unit as part of the Commission are not in a position to influence the process of the examination and the further treatment of a petition. As you were informed by the responsible directorate in November 2007 it takes unfortunately some time to translate and examine a petition and to decide and respond to it.

To give you some background about our tasks and activities in terms of civil protection we kindly ask you to contact our website:
